

**Cinderella - A Dream Is A Wish Your Heart Makes**  
**Misc Cartoons**

Here s my closest approximation of the chords behind Disney s Cinderella classic. Feel free to make corrections if you find an error. The recording that accompanies the VHS movie is actually about halfway between **F#** and **F**, I don t own the soundtrack so I m not sure what key they have there.

**F#**                    **Bb**                    **Ebm**  
A dream is a wish your heart makes  
**F#**                    **Bb**                    **Ebm**                    **F#7**  
When you re fast asleep  
**G#m**                                    **Baug**                    **B**                                    **Fm7b5**
