

Princess Principal - A Page Of My Story  
Misc Cartoons

[Verse]

**G**  
If days were not the same  
**C**  
I don't know what I'd do  
**F**  
Imagine me laughing and now  
  
**G**  
See me walk in the street  
**C**  
Then catch a red double bus  
**Bb**  
And heaven would find me

**Em D C**  
I'd go on a float  
**Bb C**  
Eased up, I smile a dream  
**F**  
**D**  
-now you know

**G**  
There is a scene that I...  
**C**  
I repeat in my soul  
**F G**  
While sippin' a black tea, and now  
  
Gently touching a tree  
**C**  
Calming hi-beam from the sky  
**F**  
Can free me, I feel like

**Em D C**  
I'm getting so close  
**Bb Am C**  
to laughing sweet with everything

[Chorus]

(Goin' out on)

**G Em**  
Sunday morning, the light has come  
(La la, morning the light's on me...)
