When you take a look behind you....what do you see

G C F C G C F C

You been hanging onto something thats really just enough it seems to me

G Em G Em

So tell me have you found..when life s going round n around

G C D

When climbing your way to the top can bring you down

G C G D

When it all falls apart we gotta keep it together

G C G D

Where ever you go i ll be there by your side

G C Em

I want you to know that we re brothers forever

F D

If the bottom drops out we ll hang on for the ride

G C G D

Castles may stand but they don t last forever.....

G C G D

Save what you can let the rest of it slide

G C Em

Hang onto your friends and you ll get through whatever

F D

Soon you ll be coming out the other side

Everybody s running thinking they can just play hide and seek

Openi»¿ your eyes and realize this life is just a crazy mystery

So how can you have any fun...when troubles got you out on the run

And this world feels like the monster ways a ton

When it all falls apart we gotta keep it together

Runnin ahead leave your trouble behind

Never we ll part cause we re stronger than ever And if we get cornered we ll go
for a ride

(Instrumental)

When it all falls apart we gotta keep it together

Fighting for all of the things we believe

I want you to know that we re brothers forever

And when it comes to the end we ll live brave and free
