

The Fairly Oddparents - Chip Skylark - My Shiny Teeth And Me
Misc Cartoons

[Verse]

When I m feeling lonely
sad as I can be
All by myself on uncharted island
in an endless sea
What makes me happy
fills me up with glee
Those bones in my jaw!
that don t have a flaw
My Shiny Teeth and me!

[Chorus]

My shiny teeth that twinkle
Just like the stars in space
My shiny teeth that sparkle
addin beauty to my face
My shiny teeth that glisten
just like a Christmas tree
You know they walk a mile just to see me smile
Woo!
My Shiny Teeth and Me
