The Lion King - One Of Us
Misc Cartoons

```
  C#m
Deception                        (An outrage!)
    A
Disgrace                         (For shame!)
E                                      B/C#
He asked for trouble the moment he came
C#m
Deception                        (An outrage!)
                                 (He can t change his stripes)

A
Disgrace                         (For shame!)
                                 (You know these Outsider types)
E                                      B/C#
He asked for trouble the moment he came
                                 (See you later, agitator!)
C#m
Deception                        (An outrage!)
                                 (Just leave us alone!)
       A
Disgrace                         (For shame!)
                                 (Traitor, go back with your own!)
E                                      B/C#
He asked for trouble the moment he came
                                 (See you later, agitator!)

F#m
Born in grief
C#m
Raised in hate
F#m              C#m
Helpless to defy his fate
B
Let him run
C#m
Let him live
    G#sus                  G#       Amaj7
But do not forget what we cannot forgive

B    C#m        B/C#
And he is not one of us
A                     E      B     G#m
He has never been one of us
C#m        C#m/C#    B/C#
He is not part of us
G#sus    G#
Not our kind
```

```
C#m              B/C#
Someone once lied to us
A                  E
Now we re not so blind
     F#m                        B/C#
For we knew he would do what he s done
      A                    Bsus/G  Amaj7   B6   C#m
And we know that he ll never be one      of   us
C#m          A       E
He is not One of us
```
