[Verse 1]

When He came to this world He didn't have a place to lay His head  
cept an old stockyard manger where the cattle and the sheep were gettin fed  
An his mama was a virgin, so Dad became the talk of the town  
Sacrifices had to be made, so Mary had a little Lamb

[Verse 2]

And all the folks down in Nazareth all knew Him as Mary's little boy  
And they knew him as a carpenter but Mary knew he was the only Son of God  
She knew his days were numbered. One day they'd put Him in the ground  
Sacrifices had to be made cuz Mary had a little Lamb

[Bridge]

She loved the boy to death the same way any Mama would  
She used to hold Him in her arms but now the nails just held Him to the wood  
As she watched her boy die in his living it was hard to understand  
But sacrifices had to be made, cuz Mary had a little Lamb

[Verse 3]

On that Resurrection mornin' Mary came to say her last goodbyes  
Like the day in the manger how she prayed she could hold Him one more time  
See from Bethlehem to Calvary she knew her little boy was Heaven bound  
But sacrifices had to be made, so Mary had a little Lamb
