Song: Opera Theme from Final Fantasy III (USA)

Here is the tab to the Oh My Hero song from
Final Fantasy III. I have a little of the tab
of the intro and most of the main part. Feel
free to add. I have some bass added in, but
it sounds fine without it.

Intro

```
--------------------------------------------------
---------15~---------------------15~-------------
-11--14--------14--11--9--11--14------------------
--------------------------------------------------
--------------------------------------------------
--------------------------------------------------
```

That s all I have of that so far,
someone help me out on it. Here s
the main part which should be 2
guitars, the first I tabbed to the
voice of Maria and the background
it similar to the intro.

```
--------------------------------------------------
--------------------------------------------------
-11--12--14--------11--12--14--18~---16--18--19~---
------------12~-----------------------------------
--9--10--12---------9--10--12--16~---14--16--17~---
------------10~-----------------------------------
```
Oh my hero...

```
--------------------------------------------------

```

```

----------------------------------------------------
-17--16--14--12~---12--12--10---9--10~--10--10---9-
