Melodies of life- Final Fantasy IX

E-B-C#m A-B F#m-G#m-Am E

```
E           C#m               A         G#m
Alone for a while I ve been searching through the dark
A               E           F#m       B
For traces of the love you left inside my lonely heart
G#m         C#m             F#m         Am
To weave by picking up the pieces that remain
E           C#m       A           B7
Melodies of life--love s lost refrain
```

B-C#m-B

```
E       C#m       A             G#m
Our paths they did cross, though I cannot say just why
A               E                 F#m       B
We met, we laughed, we held on fast, and then we said goodbye
G#m             C#m           F#m       Am
And who ll hear the echoes of stories never told?
E             A           E F#m     G#m
Let them ring out loud till they unfold
A         B       G#m               C#
In my dearest memories, I see you reaching out to me
F#m     B7       Dmaj7     Bm         C#m           A           B
Though you re gone, I still believe that you can call out my name
```

```
E               G#m     A
A voice from the past, joining yours and mine
F#m                   B
Adding up the layers of harmony
E       G#m         A   F#m
And so it goes, on and on. Melodies of life,
Dmaj7                       B7                   E
To the sky beyond the flying birds--forever and beyond
```

E-F#m-G#m-C#m A-G#m C#m-B-A F#m-B#m C#m-A-F#m-B

```
E           C#m             A         G#m
So far and away, see the bird as it flies by
A               E           F#m       B
Gliding through the shadows of the clouds up in the sky
```

```
G#m          C#m                   F#m          Am
I ve laid my memories and dreams upon those wings
E   A      E                   F#m G#m
Leave them now and see what tomorrow brings
A           B         G#m                  C#
In your dearest memories, do you remember loving me?
F#m B7 Dmaj7    Bm          C#m             A        B
Was it fate that brought us close and now leaves me behind?

 E              G#m      A
A voice from the past, joining yours and mine
F#m                       B
Adding up the layers of harmony
E        G#m          A  F#m
And so it goes, on and on. Melodies of life,
Dmaj7                      B7                    E
To the sky beyond the flying birds--forever and beyond

E            G#m                   A
If I should leave this lonely world behind
F#m                           B
Your voice will still remember our melody
E           G#m           A
Now I know we ll carry on
F#m
Melodies of life
Dmaj7                                 B7
Come circle round and grow deep in our hearts
              E
As long as we remember
