Get Jinxed from League of Legends

[Intro]

N.C.

Blah blah blablah.

[Verse 1]

Am Cm Am Ebm  
Wanna join me, come and play.  
Am Cm Am Ebm  
But I might shoot you, in your face.  
Am Cm Am Ebm  
Bombs and bullets will, do the trick.  
Am Cm Am Ebm  
What we need here, is a little bit of panic!

Am Cm  
Do you ever wanna catch me?  
Am Ebm  
Right now I m feeling ignored!  
Am Cm  
So can you try a little harder?  
Am Ebm  
I m really getting bored!

[Chorus]

Ebm  
Come on, shoot faster,  
Abm/B F  
Just a little bit of energy!  
Ebm  
I wanna try something fun right now,  
Abm/B Db  
I guess some people call it anarchy!  
Ebm  
Let s blow this city to ashes,  
Abm/B F  
And see what Pow-Pow thinks.  
Ebm  
It s such pathetic neatness,  
Abm/B Db N.C.  
But not for long cause it ll get jinxed!
