Misc Computer Games

E **G#m**
She s such a misfit, always ready to brawl
E **F**
It s like her business, roughing up your friends as the law
E **G#m**
There is no difference if you believe you re strong
E **F**
She s a bulldozer making sure you re flat on the ground

E **G#m**
She s like a boomerang, who never gives up
E **F**
She flies in circles till she hits you and you re biting the dust
E **G#m**
So just remember this, when she s chasing you down
E **F**
Face first you ll be thrown onto the Proving Grounds
N.C.
She ll knock you out

Chorus:

E **D** **G** **A**
Have you ever really wanted to be a total rebel flipping tables on the enemy?
E **D** **G** **A**
Did you ever try to further improve how fast you punch people through the roof?
E **D** **G** **A**
Was there ever any certain time when you thought brute force and style combine
well?
E **D** **G** **F**
I guess now s time to shine cause finally she s here.
Bb **E**
Here comes Vi

(E) **G#m** **E** **F**
And as a matter of fact, the best bet one has is to quickly react
E **G#m** **E**
F
to the first attack that s aiming for the bones cause she ll never pull back and
just risk it.

Bridge:

E **E/B** **G#m**
E **E/B** **F**

E E/B G#m
E E/B F E

E/B G#m E E/B F

And as a matter of fact, the best bet one has is to quickly react

 E E/B G#m E E/B
 F

to the first attack that s aiming for the bones cause she ll never pull back and
just risk it.
