League Of Legends - Here Comes Vi Misc Computer Games

She s such a misfit, always ready to brawl

Е

E G#m

She s like a boomerang, who never gives up

E F

She flies in circles till she hits you and you re biting the dust

E G#m

So just remember this, when she s chasing you down

E F

Face first you ll be thrown onto the Proving Grounds

N.C.

She ll knock you out

Chorus:

E D G A

Have you ever really wanted to be a total rebel flipping tables on the enemy?

E D G A

Did you ever try to further improve how fast you punch people through the roof?

G#m

It s like her business, roughing up your friends as the law

There is no difference if you believe you re strong

G#m

Here comes Vi

D

well?

(E) G#m E

I guess now s time to shine cause finally she s here.

And as a matter of fact, the best bet one has is to quickly react

E G#m E

F

to the first attack that s aiming for the bones cause she ll never pull back and just risk it.

Was there ever any certain time when you thought brute force and style combine

Bridge:
