Silent Hill 3 - I Want Love
Misc Computer Games

All right, let s do this

One, two, three, four

Intro: **G#m**-- **F#** - **E** - **D#** - **E,F#** x2

Verse 1:
(start singing)
G#m   **F#**
I want a cup that overflows with undefinedndefinedove
     E   **F#**
Although it s not enough to fill my heart
G#m   **F#**
I want a barrel full of love
     E   **F#**
Although i know it s not enough to fill my heart

G#m   **F#**
I want a river full of love
       E   **F#**
But then i know the holes will still remain
G#m   **F#**
I need an ocean full of love
       E   **F#**
Although i know the holes will still remain

Refrain:
D#   **E**
And this swiss-cheese heart knows
D#   **E**
Only kindness can fill its holes
D#   **E**
And love can dry my tears
B   **E F#**
As pain disappears

Chorus:
G#m   **F#**   **E**   **F#**
I need a miracle and not someone s charity
G#m   **F#**
One drop of love from him
     E   **F#**
And my heart s in ecstasy
     G#m   **F#**
The high that is sending me
    G#m   **F#**

Is most likely ending me
G#m   **F#**   **E**   **F#**   **G#m**
I need a miracle and not someone s charity now

Musicsolo:
G#m -- **B** - **F#** , **D#** 4times

Bridge:
G#m   **F#**
Fill up my heart with love
      E   **F#**   **G#m**   **F#**
Oh, you d be amazed at how little i need from him
   E   **F#**
To feel complete here and now
G#m   **F#**
Stirring within me
         E   **F#**
Are these feelings i can t ignore
G#m   **F#**   **E**   **F#**
I need a miracle and that s what i m hoping for

Chorus:
G#m   **F#**   **E**   **F#**
I need a miracle and not someone s charity
G#m   **F#**
One drop of love from him
      E   **F#**
And my heart s in ecstasy
      G#m   **F#**
The high that is sending me
      E   **F#**
Is most likely ending me
G#m   **F#**   **E**   **F#**   **G#m**
I need a miracle and not someone s charity now

Bridge:
E   **F#**   **E**   **F#**
Anybody s love but his will never fill this space within me
D#   **E**   **F#**   **E**   **F#**
Now doctor, give me what i need to free my heart from misery

End : **G#m**
