

Skyrim - Tale Of The Tongues
Misc Computer Games

Capo 2
Standard Tuning

[Verse]

Am **G** **Dm** **Am**
Alduin s wings, they did darken the sky.
Am **G** **Dm** **Am**
His roar fury s fire, and his scales sharpened scythes.
Am **G** **Dm** **Am**
Men ran and they cowered, and they fought and they died.
C **Dm** **Am** **G**
They burned and they bled as they issued their cries.
Am **G** **Dm** **Am**
We need saviors to free us from Alduin s rage.
Am **G** **Dm** **Am**
Heroes on the field of this new war to wage.
Am **G** **Dm** **Am**
And if Alduin wins, man is gone from this world.
C **Dm** **Am** **G**
Lost in the shadow of the black wings unfurled.

[Verse]

C **G** **F**
But then came the Tongues on that terrible day.
C **G** **F** **Am**
Steadfast as winter, they entered the fray.
C **G** **F** **Am**
And all heard the music of Alduin s doom.
C **Dm** **G** **D**
The sweet song of Skyrim, sky-shattering Thu um.
F **G** **Am**
And so the Tongues freed us from Alduin s rage.
F **G** **Am** **C**
Gave the gift of the Voice, ushered in a new Age.
F **G** **Am** **D**
If Alduin is eternal, then eternity s done.
F **Am** **G** **Am**
For his story is over and the dragons are gone.
