

Skyrim - Tale Of The Tongues
Misc Computer Games

Capo 2
Standard Tuning

[Verse]

Bm **A** **Em** **Bm**
Alduin s wings, they did darken the sky.
Bm **A** **Em** **Bm**
His roar fury s fire, and his scales sharpened scythes.
Bm **A** **Em** **Bm**
Men ran and they cowered, and they fought and they died.
D **Em** **Bm** **A**
They burned and they bled as they issued their cries.
Bm **A** **Em** **Bm**
We need saviors to free us from Alduin s rage.
Bm **A** **Em** **Bm**
Heroes on the field of this new war to wage.
Bm **A** **Em** **Bm**
And if Alduin wins, man is gone from this world.
D **Em** **Bm** **A**
Lost in the shadow of the black wings unfurled.

[Verse]

D **A** **G**
But then came the Tongues on that terrible day.
D **A** **G** **Bm**
Steadfast as winter, they entered the fray.
D **A** **G** **Bm**
And all heard the music of Alduin s doom.
D **Em** **A** **E**
The sweet song of Skyrim, sky-shattering Thu um.
G **A** **Bm**
And so the Tongues freed us from Alduin s rage.
G **A** **Bm** **D**
Gave the gift of the Voice, ushered in a new Age.
G **A** **Bm** **E**
If Alduin is eternal, then eternity s done.
G **Bm** **A** **Bm**
For his story is over and the dragons are gone.
