I came in like a wrecking ball  
I never hit so hard in love  
All I wanted was to break your walls  
All you ever did was break me

Hey, you there  
Can we take it to the next level  
Baby, do you dare?  
Don't, be scared  
Cause if you can say the words  
I don't know why I should care

But I won't hesitate no more, no more.  
It cannot wait. I'm yours.

We keep this love in a photograph  
We make these memories for ourselves  
Where our eyes are never closing  
Our hearts were never broken  
And times forever frozen still

Baby, I'm dancing in the dark, with you between my arms  
Barefoot on the grass, listening to our favorite song  
When you said you looked a mess, I whispered underneath my breath  
But you heard it, darling you look perfect
