**Am**

**D**

**Cadd9**

**G**

nobody s gonna love you if,

**Am**

**Em**

you can t display, a way to capture this.

**Cadd9** **G**  
nobody s gonna feel your pain,  
**Am**  
when all is done,  
**D** **Cadd9**  
and it s time for you to walk away.  
**G**  
so when you have today,  
**Am** **Em**  
you should say all that you have to say.

**Em**  
is there a right way for being strong?  
**C**  
feels like i m doing things all wrong.  
**G**  
still i m here just holdin on,  
**Dm** **Em**  
confess my heart and forgive my wrongs.  
  
just trying to show you something, more.

**Am**  
look to yourself, and you might find something.

it s time that we sorted out,  
**Em**  
all of the things, we complain about.

**C9** **G**

so listen close to the sound of your soul,

**Am**

take back a life we lived once before.

Intro

**C Gsus4** x2

Verse

**C** The hardest thing I d ever do is say goodbye **F**

and walk slowly away from you, **Am**

**F**  
But I ll do it.

**C**  
And after all this time I shared with you,

**F**  
it seems unfair to leave with nothing more

**Am** **F**  
than blank stares, but I ll do it.

**C**  
If it s for the best then I wish you well,

**F** **Am**  
if it helps to say our life was a living hell,

**F**  
well then do it, then do it, then do it.

Chorus

**C** **F**  
Don t you ever forget about me,

**Am**  
When you toss and turn in your sleep,

**F**  
I hope it s because you can t stop thinking about

**C**  
the reasons why you close your eyes,

**Gsus4**  
I haunt your dreams at night,

**C** **F**  
So you can t stop thinking about me,

**C**  
don t stop thinking about me.

**C Gsus4** x2

Verse

**C**  
Do you really think you could see this through,

**F** **Am**  
put on a smile, and wear it for someone new?

**F**  
Don t you do it.

**C** **F**  
Cause I know I m not the easiest one to love,

but every ounce I have, I d invest in you.

No one said love s not for taking chances.  
Chorus

Don t you ever forget about me,  
When you toss and turn in your sleep,  
I hope it s because you can t stop thinking about  
the reasons why you close your eyes,  
I haunt your dreams at night,  
So you can t stop thinking about me,  
don t stop thinking about me.

Bridge

Will you take me back in the morning,  
If i promise to never act this way again?  
Cause I m so bad at being lonely,  
but I don t know how, I don t know how.

So don t you ever forget about me,  
don t you ever forget about me.

Chorus

Don t you ever forget about me,  
When you toss and turn in your sleep,  
I hope it s because you can t stop thinking about  
the reasons why you close your eyes,  
I haunt your dreams at night,  
So you can t stop thinking about me,  
don t stop thinking about me.

**Gsus4**

**F**

Just close your eyes and fall asleep tonight.
