

Be Thou My Vision  
Misc Praise Songs

[Verse 1]

D                Bm                D                F#m  
Be Thou my vision O lord of my heart  
Em                A                Bm                A  
Nought be all else to me, save that Thou art  
Bm                D                Bm                A  
Thou my best thought, by day or by night  
D                Bm                Em                D  
Waking or sleeping, Thy presence my light.

[Verse 2]

D                Bm                D                F#m  
Be Thou my wisdom, Thou my true word  
Em                A                Bm                A  
I ever with Thee, Thou with me, Lord  
Bm                D                Bm                A  
Thou my great Father and I Thy true son;  
D                Bm                Em                D  
Thou in me dwelling, and I with Thee one.

[Verse 3]

D                Bm                D                F#m  
Be Thou my battle-shield, sword for the fight,  
Em                A                Bm                A  
be Thou my dignity, Thou my delight.  
Bm                D                Bm                A  
Thou my soul s shelter, Thou my high tower:  
D                Bm                Em                D  
raise Thou me heavenward, O Power of my power.

[Verse 4]

D                Bm                D                F#m  
Riches I heed not, nor man s empty praise  
Em                A                Bm                A  
Thou mine inheritance now and always  
Bm                D                Bm                A  
Thou and Thou only, first in my heart  
D                Bm                Em                D  
High King of heaven, my treasure Thou art.

[Verse 5]

**D**                    **Bm**                    **D**                    **F#m**  
High King of heaven, after victory won,  
**Em**                    **A**                    **Bm**                    **A**  
May I reach heaven s joys, O bright heaven s Sun!  
**Bm**                    **D**                    **Bm**                    **A**  
Heart of my own heart, whatever befall,  
**D**                    **Bm**                    **Em**                    **D**  
Still be my vision, O Ruler of all.
