Down on My Knees

[Verse 1]

Eb **Ab**
Once I wandered along in blackness of night
Bb **Eb**
Once I struggled alone far from God and right
Ab
Then I saw I was lost and, in my despair,
Eb **Bb** **Eb**
I fell upon my knees in prayer

[Chorus]

Eb **Ab**
I was down on my knees down on my knees
Eb **Bb**
Praying to my Lord every day
Eb **Ab**
I was praying to Jesus to hear me please
Eb **Bb** **Eb**
Take my heavy burdens away
Bb **Eb**
Old satan tried to say the Bible was a lie
F **Bb**
That Jesus did not love me, and I was doomed to die
Eb **Ab**
But I stayed on my knees down on my knees
Eb **Bb** **Eb**
Jesus took my burdens away

[Verse 2]

Eb **Ab**
I had fallen so low in sin and in shame
Bb **Eb**
That it seemed almost hopeless to trust His name

But I lifted my voice and cried in despair
Eb **Bb** **Eb**
And Jesus heard my humble prayer
