

Ncmi Worldwide - Let Creation Sing  
Misc Praise Songs

[Verse 1]

**F**                      **Bb**                      **F**  
Oh Lord, our Lord- Majestic is Your Name  
**Dm**                      **Bb**                      **C**  
Oh Lord, our Lord- Magnificent Your reign  
**F**                                      **Bb**                                      **Dm**  
Our hearts rejoice with passion for Your name  
**Bb**                      **C**                      **Dm**                      **Bb**                      **Bb**                      **C**                      **F**  
Let all creation sing. Let all creation sing

[Verse 2]

**F**                                      **Bb**                      **F**  
From mountain peak to valley low  
**Dm**                      **Bb**                      **C**  
Our song shall rise to silence every foe  
**F**                                      **Bb**                                      **Dm**  
Our Lord arose with captives in His tow  
**Bb**                      **C**                      **Dm**                      **Bb**                      **Bb**                      **C**                      **F**  
Let all creation sing. Let all creation sing

[Verse 3]

**G**                                      **C**                                      **G**  
Behold He comes upon the clouds on high  
**Em**                      **C**                                      **D**  
Every eye shall see, even those who pierced His side  
**G**                                      **C**                                      **Em**  
All man shall bow before His royal throne  
**C**                      **D**                      **Em**                      **C**                      **C**                      **D**                      **G**  
Let all creation sing. Let all creation sing

[Verse 4]

**G**                                      **C**                                      **G**  
Oh earth, rejoice our King returns again  
**Em**                                      **C**                                      **D**  
With trumpet sound to take His rightful place  
**G**                                      **C**                                      **Em**  
With eyes ablaze and hair as white as snow  
**C**                      **D**                      **Em**                      **C**                      **C**                      **D**                      **G**  
Let all creation sing. Let all creation sing

[Verse 5]

**A**                      **D**                      **A**  
Exalt, exalt- Lift up His royal Name  
**F#m**              **D**              **E**  
Declare, declare- His wonder and His fame  
**A**                      **D**                      **F#m**  
Our hearts rejoice with passion for His Name  
**D**              **E**              **F#m**      **D**              **D**              **E**              **A**  
Let all creation sing. Let all creation sing
