

**Ross Parsley - Im Free**  
**Misc Praise Songs**

[Verse 1]

**D** **G** **D**  
So long I had searched for lifeâ€™s meaning,  
**A** **D**  
Enslaved by the world and my greed;  
**G** **D**  
Then the door of the prison was opened by love,  
**A** **D**  
For the ransom was paid, I was freed.

[Chorus]

**D** **G** **D**  
Iâ€™m free from the fear of tomorrow;  
**A** **D**  
Iâ€™m free from the guilt of the past;  
**G** **D**  
For Iâ€™ve traded my shackles for a glorious song;  
**A** **D**  
Iâ€™m free, praise the Lord, free at last!

[Verse 2]

**D** **G** **D**  
Iâ€™m free from the guilt that I carried,  
**A** **D**  
From that dull empty life Iâ€™m set free;  
**G** **D**  
For when I met Jesus, He made me complete;  
**A** **D**  
He forgot the foolish one I used to be.
