

Ross Parsley - Im Free

Misc Praise Songs

[Verse 1]

D **G** **D**
So long I had searched for life's meaning,
A **D**
Enslaved by the world and my greed;
G **D**
Then the door of the prison was opened by love,
A **D**
For the ransom was paid, I was freed.

[Chorus]

D **G** **D**
I'm free from the fear of tomorrow;
A **D**
I'm free from the guilt of the past;
G **D**
For I've traded my shackles for a glorious song;
A **D**
I'm free, praise the Lord, free at last!

[Verse 2]

D **G** **D**
I'm free from the guilt that I carried,
A **D**
From that dull empty life I'm set free;
G **D**
For when I met Jesus, He made me complete;
A **D**
He forgot the foolish one I used to be.
