

**Walk On The Water With Me**  
**Misc Praise Songs**

**D Dsus D**

Come on and walk on the water with me  
Come on and walk on the water with me

**A D**

You will not fail, you will not fail

**Bm F#m F#m**

Make a move in faith, venture out in the deep.

**G G D**

Be courageous and step down off that bow.

**Bm F#m**

Keep your eyes on me, don't mind the wind and the waves.

**G A**

Well there's nothing, nothing gonna stop us now.

Cause I am, "I am" when the hurricane roars.

In the midnight madness ill be your peace.

Don't you dare give up,

You better not give in,

Any moment that storm is gonna cease.
