A Little More Homework | 13 the Musical
F Bb   F Bb
```
        F
```
If you stand here behind me
```
      Fsus2/A
```
And you call me a man
```
          A                            Dm Csus
```
And youre counting on me to come through
```
          Bb                      F/A
```
You should know that Ill give you the best that I can
```
      Ab   Eb      Bbsus2      Bb/C
```
But we all have a little more homework to do
```
         F
```
If youre walking beside me
```
        Fsus2/A
```
And you wanna be friends
```
          A                      Dm Csus
```
You should know Im depending on you
```
       Bb                      F/A
```
So you gotta hang in there till the whole story ends
```
        Ab   Eb   Bbsus2     Bb                     F
```
Cause we all have a little more homework to do
```
              Bb          C         Bb        F
```
Cause Ive been looking in the back of the book for the answers
```
Bb          C         Bb   F/A
```
Hoping the bell wouldnâ€™t chime
```
          Ab      Bb        Ab        Eb
```
But Im not ready to put down my pencil just yet
```
          Ab      Bb        Ab        Eb
```
There are too many answers that I didnt get
```
              Gb    Ab Gb                     Bb/C
```
I need a little less pressure and a little more time
```
     F
```
Im trying to follow
```
     Fsus2/A
```
Im trying to lead
```
     A                      Dm Csus
```
Im trying to find what is true
```
             Bb
```
But if youre going to stand with me
```
        F/A
```
Then you have to concede
```
        Ab   Eb      Bbsus2      Bb/C        F
```
That we all have a little more homework to do
F   Bb
Day turns, today turns, today turns, today turns, today turns, today
Dm

```
You get a little bit older
               Bb
A little bit taller
               Eb
A little bit better
    Bb
A little bit
F                                       Bb
Day turns, today turns, today turns, today turns, today
        Dm                  Bb
And the days before all go too fast
    Eb          Bb
You cant hold on
   Bb    Eb
So, you go
F                                       Bb
Day turns, today turns, today turns, today turns, today turns, today
Dm
Im a little bit older
              Bb
A little bit stronger
               Eb
A little bit smarter
     Bb
A little bit
F                                       Bb
Day turns, today turns, today turns, today turns, today
        Dm                    Bb
And the days ahead coming on so quick
     Eb          Bb
You cant keep running
G#                                      C#
Day turns, today turns, today turns, today turns, today turns, today
  Fm
And Im a little bit older
              C#
A little bit faster
               F#
A little bit closer
          C#
A little bit
G#                                      C#
Day turns, today turns, today turns, today turns, today
        Fm
And the sky goes blue
        C#
And the sky goes black
         F#
And no matter what you do
         C#          F#
You cant go back
      G#                         F#
You go day into day into day
```

```
Fm.                      C#
Day into day into day
G#.                      C#
Day into day into day
Fm
And Im a little bit braver
            C#
A little bit broader
            F#
A little bit brighter
        C#
A little bit
G#                       F#
Day into day into day
Fm                       C#
Day into day into day
            C#          D#        C#          G#
And Ive been looking in the back of the book for the answers
 C#      D#          C#   G#
Hoping the bell wouldnâ€™t chime
          B         C#        B          F#
And Im not ready to put down my pencil just yet
        B         C#        B      F#
There are too many answers that I didnt get
      A          B        A
I need a little less pressure
                    C#sus2 C#
And a little more time
     G#
Im trying to follow
     G#sus2/C
Im trying to lead
   C                           Fm D#sus
Im trying to learn what is true
   C#                   G#
Im trying to be what you want and I need
      B    F#   C#sus2       C#
But we all have a little more homework
   B    F#   C#sus2       C#
We all have a little more homework
   B    F#   C#         C#sus2
We all have a little more homework to do
G#                              C#                    Fm C# F#
Day turns, today turns, today turns, today turns, today turns, today
(A little more homework to do)
G#.                             C#                    Fm C# F#
Day turns, today turns, today turns, today turns, today turns, today
(A little more homework to do)
```
