Someone To Fall Back On----

G
I ll never be
A knight in armor
        C
with a sword in hand,
or a kamikaze fighter;
G
Don t count on me
To storm the barricades
        C
and take a stand,
or hold my ground;
**Am**
You ll never see
        G
Any scars or wounds -
          G
I don t walk on coals,
           C
I won t walk on water:

[Chorus]
G         C
I am no prince,
G         C
I am no saint,
G      C      **Am**    D     G
I am not anyones wildest dream,
G          C          G
But i can stand behind
C   G       D                   G
And be someone to fall back on.
G
Some comedy -

your bruised and beaten down
      C
and i m the one

who s looking for a favor?
G
Still, honestly,
You don t believe me
          C
But the things I have

Are the things you need?
**Am**
You look at me
        **G**
Like I don t make sense,
     **G**
Like a waste of time,
       **C**
Like it serves no purpose -

[Chorus 2]
**G**      **C**
I am no prince
**G**       **C**
I am no saint
**G**    **C**             **Am**     **D**     **G**
And if that s what you bleieve you need
**G**       **C**          **G**      **C**
you re wrong - you don t need much,
**G**        **D**              **G**
You need someone to fall back on...

                **Em**
And i ll be that:
            **C**
I ll take your side.
                **Em**
If i m the only one,
     **C**
I m used to that
**Em**
I ve been alone,
**C**               **Am**
I d rather be
             **G**
The half of us,
             **C**
The least of you,
          **D**
The best of me.

[Chorus 3]
And I will be
**G**             **C**
I ll be your prince
**G**             **C**
I ll be your saint,
**G**      **C**     **Am**      **D**        **G**
I will go crashing through fences,
**G**     **C**     **G**      **C**
In your name. I will, I swear -
**G**      **D**              **G**
I ll be someone to fall back on!

```
G                        C
I ll be the one, who waits,
G         C       Am          D
And for as long as you ll let me,
G             C       G        C
I will be the one you need.
G             D            G
I ll be someone to fall back on.
