**Misc Soundtrack**

Someone To Fall Back On----

**F**

I ll never be  
A knight in armor

**Bb**

with a sword in hand,  
or a kamikaze fighter;

**F**

Don t count on me  
To storm the barricades

**Bb**

and take a stand,  
or hold my ground;

**Gm**

You ll never see

**F**

Any scars or wounds -

**F**

I don t walk on coals,

**Bb**

I won t walk on water:

[Chorus]

**F** **Bb**

I am no prince,

**F** **Bb**

I am no saint,

**F** **Bb** **Gm** **C** **F**

I am not anyones wildest dream,

**F** **Bb** **F**

But i can stand behind

**Bb** **F** **C** **F**

And be someone to fall back on.

**F**

Some comedy -

your bruised and beaten down

**Bb**

and i m the one

who s looking for a favor?

**F**

Still, honestly,  
You don t believe me

**Bb**

But the things I have

Are the things you need?

**Gm**

You look at me

**F**

Like I don't make sense,

**F**

Like a waste of time,

**Bb**

Like it serves no purpose -

[Chorus 2]

**F** **Bb**

I am no prince

**F** **Bb**

I am no saint

**F** **Bb** **Gm** **C** **F**

And if that's what you believe you need

**F** **Bb** **F** **Bb**

you're wrong - you don't need much,

**F** **C** **F**

You need someone to fall back on...

**Dm**

And I'll be that:

**Bb**

I'll take your side.

**Dm**

If I'm the only one,

**Bb**

I'm used to that

**Dm**

I've been alone,

**Bb** **Gm**

I'd rather be

**F**

The half of us,

**Bb**

The least of you,

**C**

The best of me.

[Chorus 3]

And I will be

**F** **Bb**

I'll be your prince

**F** **Bb**

I'll be your saint,

**F** **Bb** **Gm** **C** **F**

I will go crashing through fences,

**F** **Bb** **F** **Bb**

In your name. I will, I swear -

**F** **C** **F**

I'll be someone to fall back on!

**F** **Bb**  
I ll be the one, who waits,  
**F** **Bb** **Gm** **C**  
And for as long as you ll let me,  
**F** **Bb** **F** **Bb**  
I will be the one you need.  
**F** **C** **F**  
I ll be someone to fall back on.
