

Costume Party - Come From Away
Misc Soundtrack

G

In a crowded room

A

Filled with strangers sleeping

G

An airplane blanket

A

And pillow on the floor

Bm

The sun comes streamin

A

Through the window

D

And I can't sleep anymore

G

Staring at these strangers

A

Waking up around me

G

Sitting in a crowd of people

A

Waiting for the phone

Bm

A

And in a town that suddenly doubled population

D

I feel so alone

G

A

It's like any of us could have died on Tuesday

D

A

Bm

And that we're dared to see things differently today

G

I'm feeling different, just seems strange

A

Who are these people here? Where am I?

No one knows me here

G

A

Who am I if I don't feel like the me from yesterday?

G

Changing into

A

another woman s donated set of clothes

G

Looking different

A

feeling kinda different too

Bm

I can t quite explain

A

But when I woke, When David wasn t on that plane

G

A

It s like I changed into somebody else, but who?

G

A

And it s somehow like we re at a costume party

D

A

Bm

And for a second you are not yourself

G

And you look around, And blink your eyes

A

And barely even recognize

G

A

The person in the mirror who s turned into someone else

G

Prayin for a phone call

A

Praying for a way home

Asking questions

G

A

Asking can I get back on that god-forsaken plane

Bm

And all around me people chat

A

And people snack, Like nothing s happened

G

A

D

And I need to hear we re going back before I go insane

Bm

Here for some time

A

Here for too long

G

When will we know

A

How much longer?

G

A

And it s somehow like we re stuck here at a messed up costume party

G

And there s nothing here for millions -

- Far away from those you care for

Bm A

On an isolated island in between

G

A

There and here (There and here)
