Cowboy Bebop

Blue

Tabbed by SJ (kirei\_008@hotmail.com)

A very beautiful, kind of bittersweet song that is played during the credits of episode 26...

The song has kind of a unique structure for riffs: its not the usual intro-verse-bridge-chorus-verse etc but instead the chorus riff is repeated quite a few times in a row

CHORDS

```
-----
-----
----6--5-6-
-6--6--6-6- ----6-----
-6--4--3-4- -3--4--6--
-4----- -1-----4--
G# C# C C# F G# C#

-----
-----
----- -6--8--6--8--
-6--5--3--2- -6--8--6--8--
-6--5--3--2- -4--6--4--6--
-4--3--1--0- -----
G# G F E C# D# C# D#
```

[Note: for purposes of tab, the relative power chords above are represented by the root note, rather than some crazy Gsus5 or the proper, politically correct chord name for a power chord. music theory enthusiasts bite me]

Intro: **G# C# C G#**

Verse: **G# C# A~2**  
**F C# G# C#**

Chorus: **G# G F E**  
**G# G F E**  
**G# G F E**  
**C# D# C# C**

Interlude (about 3:40-something in)= Same riff as verse

EX)

VERSE1

**G#**                    **C#**            **C C#**  
Never seen a bluer sky

**G#**            **C#**            **C C#**  
Yeah I can feel it reaching out

**F**            **C#**  
and moving closer

**G#**            **C#**  
There s something    bout blue

CHORUS

**G# G F E**  
Free...

**G# G F E G# G F E**  
Wanna be free, Gonna be free...

**C#**                                    **D#**  
and move among the stars

**C#**                                    **C**  
You know they really aren t so far
