[Verse 2]

(same as verse 1)

Picked up the wallet and slipped outside,
Walked around and walked around and walked around town.
I found my nerve and a good place to hide,
Only to find no cash inside, uh-huh!

Oh well, I guess that s just the way that it is,
Don t bother none.

Won t help at all to worry bout it.

I got thirsty so I went to a bar,
Met a li l darlin with the face of a star.
In the mornin , woke up to find
She stole my car along with my heart, yeah yeah.

(repeat)

Wish she d give me back my heart, uh-huh.

(repeat)
