

Delhi Belly - Saigal Blues
Misc Soundtrack

Hi Guys!

This is Vaibhav Kapoor here. Well, it s my first try to make the arrangements of this beautiful song. I think it s a great tribute to SEHGAL SAHIB. Please feel free to mail me back with any alterations or correction on this song at koolmaddyvaibhav@gmail.com The chord structure is quite easy. It s very interesting as the progression is not the usual ones you hear from todays songs.

- A#m** - (688666)
- D#m** - (668876)
- Fm** - (88101098)

To get the OST effects, please use a electric guitar with a whammy and the right tone with the help of a processor. :D
