                         **Db**                      **Bbm**  
it was weird how I swore to eliminate the worst  
                         **Db**                      **Bbm**

                         **Eb**                      **Db**  
I was vague on the how, so how can it be that you

**Fm**                      **Fm/E**  
It s a brand new day, and the sun is high.  
                 **Db**                      **Bbm**    **Eb**  
All the birds are singing that you re gonna die.  
                 **Fm**                      **Bbm**  
How I hesitated, now I wonder why.  
                 **Gb**  
It s a brand new day.
