Friends - Wedding Song
Misc Soundtrack

This the wedding song in season 7 where Pheobe asks monica if she can sing at their wedding and comes up with this song:

```
E                 D           A            E
First time I met Chandler, I thought he was gay

                                        6-------(string)
     D          A          E            2-------(fret)
But here I am singing, on his wedding da------y
```
