

On a dream that won't come true.

[Verse]

D **Em** **C**
I could hurt someone like me,
F#m7 **B7**
Out of spite or jealousy.
Esus
I don't steal and I don't lie,
A **D9**
But I can feel and I can cry
Bm **E7**
A fact I'll bet you never knew.

[Outro]

F#m7 **Bm**
But to cry in front of you...
A **Em7** **D**
That's the worse thing I could do.
