I tried as much as I could to make the chords sound accurate to the song. Please take some time to rate the chords and/or post corrections. It really helps me :D.

Warning: You are going to need a sliding/rolling capo if you want to play this song without stopping.

[CAPO 3]

[Intro]

[Play 2 times]:

Dsus2 (x4), **A**

[Verse 1]

Bm **A** **Em**
Oh take a look in the mirror, you look so sad
 Bm **A** **Em**
It s so cold like that winter market we used to go
(**Dsus2**) **Bm** **A** **Em**
 I don t cry anymore but I feel so hurt

[Pre-Chorus 1]

Bm **A**
So I don t need you too close to me
 Em
You don t hear me, so you said
 Bm **A** **Em**
I don t know why thing have changed since yesterday

[CAPO 2]

[Chorus 1]

C D
 This could be love again
C D
 All I need is you
C D Am Em
 Come back, I m waiting anytime the heavy rains come
C D
 Still I miss days with you
C D
 I can t look into your face
G D Em
 Oh Feeling blue and looking back again

[Bridge]

(I m not 100% sure they are the right chords...)

D **G**
To stay with you always
B **A** **Em**
Youâ€™re the world to me, and dream on
A **B**
So you can take my soul for you
D **G**
How do you feel, so fine
B **A** **Em**
Youâ€™re the world to me, and dream on
A **Em**
You stole my heart so long ago
D **G**
Oh I release my soul
D
So you feel my song
