Pokemon Live - Everything Changes
Misc Soundtrack
[Intro]
Dm C Dm C
[Verse 1]
Your heart s beating around the clock
                                    Dm/Bb C
              C
Time tickin away, it doesn t stop
Evolution is takin place
Dm
                                               Dm/Bb
The world is spinnin and changin every day (Changing every day...)
[Pre-Chorus 1]
                            Csus4
                                     C
Bbsus2
Anything you think of with a name (Think of with a name...)
                                  Bb/G
                                                              C
There isn t anything in life that ever stays the same!
[Chorus 1]
                      F
          Bbsus2
Everything changes, changes
                            Dm
Things are changin constantly
           Bbsus2
                      F
Everything changes, changes
It s evolutionary
          Bbsus2
Everything changes, changes
 Dm
               C
Changin all the time
 Dm
Playin with my mind
            C Bbsus2
Modified or rearranged
Csus4
Everything has gotta change
[Instrumental Break]
Dm C Dm C
Dm/Bb C Dm/Bb C
[Verse 2]
You take a change, you throw the dice
```

Dm/Bb

Csus4 C

C

```
You risk it all, it s just a part of life (Just a part, just a part of life...)
Dm
You hold on tight to what you know
                                      Dm/Bb
You can t go back, you gotta let it go (Gotta let it go...)
[Pre-Chorus 2]
                          Csus4
Every little step that you embrace
Bbsus2
One road ends, another begins
                        Csus4
   Bb/G
                                C
And takes you to a better place!
[Chorus 2]
          Bbsus2
Everything changes, changes
                          Dm
Things are changin constantly
          Bbsus2
                     F
Everything changes, changes
              Dm C
C
It s evolutionary
         Bbsus2
Everything changes, changes
        C
Changin all the time
Playin with my mind
            C Bbsus2
