

Safety Not Guaranteed Big Machine - Everybodys Talking In Their Sleep
Misc Soundtrack

This tab is for the song Big Machine originally by Guster but covered in the movie Safety Not Guaranteed . It is translated to guitar.

Capo 4

A A
stand straight, go get in line
A A
comb your hair, get to work on time
A A
everyone in the big machine
A A
tries to break your heart, pull you underneath

D D D
maybe i m wrong and all that you get is what you see
E E E A
maybe i m right and there s something out there to believe

D E A
everybody s talking in their sleep
D E C# F#m
pushing lot of air around and don t say much of anything
D E C# F#m
except when they re laughing, like some ghosts under a sheet
E D E D A
everybody s talking in their sleep.
