Salute Your Shorts Theme
tabbed by Robb

This is my first tab, so I hope you like it. This isn't 100% right but good enough to play and bring back the memories. I couldn't believe nobody had this hopefully someone will use this to make a more correct version.

(Update 9/11/2010)

Added another version that still isn't quite right but I think I like it better than the first. Also included the tab to play along with the words

Version 1

C **Am**
We run we jump we swim and play
F **Eb**
We Row and go on trips
F **Eb**
But the things that last forever
F **G**
Are our dear friendships

C **Am**
Camp Annawanna
F **G**
We hold you in our hearts
F **G**
And when we think about you
F **G**
It makes me wanna fart
(It's I hope we never part now get it right or pay the price)

C **Am**
Now, We will share a lifetime
F **Eb**
of the fondest memories
F **Eb**
By the lake of Annawanna
F **G**
Set in the old pine trees

C **Am**
Camp Annawanna

F **G**
We hold you in our hearts
F **G**
And when we think about you
F **G**
This thing just fell apart
