Perfect bodies, perfect faces

C F Em G
Stretching toward the sky like I don t care
C F Em G
Wishing you could see me standing there

C F
But I m a sunflower, a little funny

Iâ€™d turn into something you d like

But I m a sunflower, a little funny
C F
If I were a rose, maybe you d pick me
Em
But I know you don t have a clue

This sunflower s waiting for you
C F
Waiting for you
C F
But I m a sunflower, a little funny
