

(Chorus) Power chords

A **F**
You keep watching from your picket fence

G
You keep talking but it makes no sense

A **F**
You say we re not responsible

D C B
But we are, we are

A **F**
You wash your hands and come out clean

G
Fail to recognise the enemies within

A **F**
You say we re not responsible

D C B
But we are, we are, we are, we are

Am F2 D C B
One step forward making two steps back (my oh my)

Am F2 D C B
Riding piggy on the bad boys back for life

Am F
Lining up for the grand illusion

G
No answers for no questions asked

Am F
Lining up for the execution

D
Without knowing why

(Chorus)Power chords

A **F**
You keep watching from your picket fence

G
You keep talking but it makes no sense

A **F**

You say we re not responsible

D **C B**

But we are, we are

A **F**

You wash your hands and come out clean

G

Fail to recognise the enemies within

A **F**

You say we re not responsible

D **C** **B**

But we are, we are, we are, we are

F

It s all about power then

Take control

/D

Breaking the rule

Breaking the soul

F

They suck us dry till there s nothing left

/D

My oh my, my oh my

F

What about the world today

/D

What about the place that we call home

F

We ve never been so many

D

XX XX XX

And we ve never been so alone.... so alone

(Chorus)

A

F

You keep watching from your picket fence

G
You keep talking but it makes no sense

A **F**
You say we re not responsible

D **C** **B**
But we are, we are

A **F**
You wash your hands and come out clean

G
Fail to recognise the enemies within

A **F**
You say we re not responsible

D **C** **B**
But we are, we are, we are, we are

A
It s all about power then (we are)

F
Take control (we are)

G
Breaking the rule (we are, we are)

G
Breaking the soul (we are)

A **F**
They suck us dry till there s nothing left (we are, we are)

G
My oh my, my oh my

We are

We are (its all)

We are

We are, we are (take control)

We are

We are

It s all about power

Then take control
