**Em**

Take you far away

**A**

Itâ€™s a funny thing to say

**C**

**Am**

When I never held your small hand

**Em**

Ride along with you

**A**

Itâ€™d be a funny thing to do

**C**

Then Iâ€™ll wake up

**A**

Youâ€™ll be here too

**C**

**Am**

**Em**

Thereâ€™s no time now to explain

**F#**

Oh no

**C**

**Am**

I been sent on a mission

**C**

**B7**

Cause I got a vision right now

**C**

Little angel

**B7**

**Em**

**G**

Beaming down your smile

**C**

Little angel

**B7**

**Em**

**G**

Could it be a sign?

**C**

Little angel

**B7**

**Am**

You re my beauty queen

**C**

Can you break the code

**B7**

And get us out of here?

**C**

Little angel

**B7** **Em** **G**  
Trapped inside this stream

**C**

Little angel

**B7** **Em** **G**  
Youâ€™re my precious thing

**C**

Little angel

**B7** **Am**  
Keep me from the pain

**C**

Can you come to Earth

**B7**

Before I go insane?

**Em G C** **B7**  
Angel of mine

**Em G C** **B7**  
Angel of mine

**Em G C** **B7** **Am** **B7**  
Angel of mine

**Em**

In the corner of my eye

**A**

You are shining way up high

**C**

**A**

Your reflection makes me feel weak

**Em**

Trying oh so hard

**A**

To keep the memory apart

**C**

Then Iâ€™ll wake up

**A**

And youâ€™ll be free

**C** **Am** **Em**  
Thereâ€™s no time now to explain
