

Team America World Police - Only A Woman
Misc Soundtrack

By: KrazyKurtKuomos

This is my favorite song from the Team America soundtrack and it would be a funny song to play to a girl. Chords for all the verses/chorus are the same. Pretty sure the bridge isn't perfect but the rest sounds fine.

Verse 1:

D **A** **G**
I need this, I need love, I need you
I don't one heartbeat, I need two
D
There's an emptiness I need to fill
 A **G A**
And only one emptiness will do

Chorus 1:

D **A** **Bm** **G A**
Only a woman, can brighten up my day
Only a woman, can touch me the right way, yea
Only a woman, is allowed to touch me there
D **A** **G**
All I ask is that you're a woman

Verse 2:

I like rain, I like ham, I like you
You're around, you're right here, so you'll do
I wanna tell you how much I love your mind
But that simply isn't true

Chorus 2:

Only a woman, can brighten up my day
Only a woman, can touch me the right way, yea
Only a woman, is allowed to do what you're doing right now
All I ask is that you're a woman

Bridge:

E5
And on Saturdays when I've been partying hard
And it's 4 in the morning and I'm my fifth tab of E
Em
That's the only time I really don't care if you are a
E#5 E5
woman
Right now...

Chorus 3:

Only a woman, can brighten up my day

Only a woman, can touch me just the right way, yea
Only a woman, should be doing that right now
I just want to you to be a woman
Please just be a woman
Just any ole woman...or a man
