Jamie At Home Theme Misc Television I tabbed out the theme-song from Jamie At Home. Have fun! Song: In My World Artist: TIM KAY Tabbed by: Josa Valentin C# С#7М IÂ'll show you, C# What It takes to feed my mind, F# C#7M You go trough, reading all my signes It was a lovely day, When everything was everywhere And now love came in to season C# C#7M I didn´t know you C# Nice little dreams you push to side F# Can we take to until we see those eyes we love to hide And IÂ'm alone in bed , In someone elses head And now love came in to season Eb Bbm Take time and make yourself feel good F# And you do whatever you want Cause you can now, in my world Bbm C# F# Make it up for losing so much tim e C# C#7M Cause you can now, in my world

C#

C#7M

C#

We want to take a little walk down this room you know C#7M I'm not scared to

F#

Cause If we get back we can take it real slow

Another lovely day

When everything was everywhere

And now love came in to season

Bbm

 $\mathbf{E}\mathbf{b}$

Take time and make yourself feel good F# And you do whatever you want

Cause you can now, in my world Bbm C# F# Make it up for losing so much tim e C# C#7M Cause you can now, in my world

I'm gonna make you feel alright I'm gonna make you hold on tide? On tide

REPETE CHORUS 2 X

cheers, josa.
