-----Intro:

Em **C**
If you're all I wanted, why can't I just say,
EM **G**
But you cared enough to send me on my way,

-----Chorus:

C **G#M** **EM**
I'm standing on the edge, and I can't go back.
C **G#M** **G**
I can't bring myself to do it, uh-huh.

-----Verse 2:

EM **C**
If I'm all you wanted, why didn't you just say,
EM **G**
But you're scared enough to send me on my way.

-----Chorus 2:

C **G#M** **EM**
It's my life, or something like it, and I want it back.
C **G#M** **EM**
I can't bring myself to do it, why do you care?
C **G#M** **G**
I can't bring myself to do it, uh-huh.

Well...that's about it, so have fun with it, and as always, correct me if I'm wrong on anything.
