

Nashville - I Will Fall
Misc Television

[Verse 1]

D G D G
Im afraid to go up onto the second floor
D G Bm
If you wanted to work it out whyâ€™d you lock the door
G D
I thought I was good at loving you
F# Bm
But our light went out when you wanted it to
G D
I wish you the best, Iâ€™m headed west
Em A
itâ€™s all I know to do

[Chorus]

Bm G D A
I will fall, I will fall if you come around
Bm G D A
Just when i think my heart break has settled down
Em G D G
I will fall, I will fall if you come around
D G D
When we said goodbye it was forever
D G Bm
And I spent the last year piecing my life together

[Verse 2]

G D
Just when I think Iâ€™ve let you go
F# Bm
Your songâ€™s playing on the radio
G D
And just like that it rushes back
Em A
every part of you

[Chorus]

Bm G D A
I will fall, I will fall if you come around
Bm G D A
Just when I think my heart break has settles down

Em **G**
I will fall, I will fall if you come around

D G D G
