Em **Hm**
polyushko, shiroko pole,
Am **C** **H7**
edut po polyu geroi,
Am **C** **H7**
eh, da krasnoj armii geroi.

Devushki plachut,
devushkam sevodnya grustno,
milyj nadolgo uehal,
eh, da milyj v armiyu uehal.

Devushki, glyan te,
glyan te na dorogu nashu,
v yotsya dal nyaya doroga,
eh, da razvesyolaya doroga.

Tol ko mi vidim,
vidim mi seduyu tuchu,
vrazh ya zloba iz-za lesa,
eh, da vrazh ya zloba, slovno tucha.

Eh, devushki, glyan te,
mi vraga prinyat gotovy,
nashi koni bystronogi,
eh, da nashi tanki bystrokhodny.

Eh, pust zhe v kolkhoze
druzhnaya kipit rabota,
mi dozornye sevodnya,
eh, da mi sevodnya chasovye.
