

The Parting Glass

Misc Traditional

[Verse 1]

G C EM G D7

Of all the money that e'er I spent

G G D7

I've spent it in good company

C EM G D7

And all the harm that ever I did

EM G C EM

Alas it was to none but me

G G

And all I've done for want of wit

C D7 G D7

To memory now I can't recall

C EM G D7

So fill to me the parting glass

EM G C EM

Good night and joy be with you all

If I had money enough to spend

And leisure to sit awhile

There is a fair maid in the town

That sorely has my heart beguiled

Her rosy cheeks and ruby lips

I own she has my heart enthralled

So fill to me the parting glass

Good night and joy be with you all

[Verse 2]

Oh, all the comrades that e'er I had

They're sorry for my going away

And all the sweethearts that e'er I had

They'd wish me one more day to stay

But since it falls unto my lot

That I should rise and you should not

I'll gently rise and softly call

Good night and joy be with you all
