

Wild Mountain Thyme
Misc Traditional

Oh, the summer time is coming and the leaves are sweetly turning

And the wild mountain thyme looms across the purple heather

Will you go, Lassie, go?

If you will not go with me I will surely find another

To pull wild mountain thyme all across the purple heather

Will you go, Lassie, go?

And we ll all go together to pull wild mountain thyme

All across the purple heather, will you go Lassie, go?

And we ll all go together to pull wild mountain thyme

All across the purple heather, will you go Lassie, go?

I have seen another tab out there, that I don t think is quite right. Here is my
take - much easier for accordion players, in my opinion.
