**C D F 2x**

**C D**  
Where do you go, Where does it stop  
**F**  
When the beginning is the end

**C D**  
What is the point, Pointed at you  
**F**  
With a line drawn through it

**C D**  
Is it a hill you donâ€™t wanna climb  
**F**  
Hiking up hesitation

**C D**  
Sliding back down, Creating a path  
**F**  
Although you never even knew it

**Am G F**  
And you let it run away  
**Am**  
(And if it comes back to you)

**G F**  
And you look the other way  
**Am**

(It was trying to hurt you)

**G F**  
Never call it what you say

**C D F**  
Let it fly

**C D F**

**C D**  
A day in the dark, Is the new night  
**F C**

The clock doesnâ€™t care anymore

**D**  
Heart is offline, Spilling the keys  
**F**

C Beating it all, Still wanting more D  
F C  
Because it s coming out your pores  
D  
A mouth and no words, A song you donâ€™t know  
F  
Because the music keeps changing
