

8ight Past Nine - Wah Song
Misc Unsigned Bands

Wah Song by 8ight Past Nine

Chords used: **Am**, **Dm**, **G**, **C**, **C9** and **F**

Intro: **Am**, **Dm**, **G**

Verse:

Am **Dm** **G** **Am**
Lust... Brought us to a place where I can t see

Dm **G** **Am**
Brought us to a place where truths deceit

Dm **G** **Am**
Can we keep on lying? So we say

Dm **G** **Am**
Anything that makes this feel okay

Dm **G** **Am**
Empty words that seem so out of place

Dm **G** (x9)
Can we keep denying?

Chorus 1:

C **G** **Am**
Cause I m gonna need me some time

F **C**
to go and figure this out

C **G** **Am**
Hey I m going to need me somewhere

F **G**
to go until I m right

Verse:

Am

And again (if you wanna do it, why don t you just do it)

Dm **G** **Am**
Jump into desire hand in hand (if you wanna fake it, you know that i ll take it)

Dm **G** **Am**
And will you be the one to make it end (make it end)

Dm **G**
Cause I won t be that stupid

Am
So I say

Dm **G** **Am**
That I will be your perfect one night stand

Dm **G**
But, I won t play wicked (with your) cupid

C
And, I can t stay

Chorus 2:

C **G** **Am**
Cause I m gonna need me some time

F **C**
to go and figure this out

C **G** **Am**
Hey I m going to need me somewhere

F **C** **G** **Am**
to go until this blows out of sight

F **C** **G** **Am**
Until this... blows out of sight

F **G** **Am**
(Hey) Can I break now? Can I break?

Solo: **Am, Dm, G** (x4)

Bridge:

F **G**
Well I ll make this so damn easy

F **C** **G**
Cause we both know that we can t win

F **C** **G**
Well I ll make this so damn easy

G **C**
Well I m going on my way

Chorus 3:

C **G** **Am**
Cause I m gonna need me some time

F **C**
to go and figure this out

C **G** **Am**
Hey I m going to need me somewhere

F
to go until this...

C **G** **Am**
Cause I m gonna need me some time

F **C**
to go and figure this out

C **G** **Am**
Hey I m going to need me somewhere

F **C** **G** **Am**
to go until this blows out of sight

F **C** **G** **Am**
Until this... blows out of sight

F **G** **Am**
(Hey) Can I break now? Can I break?

Outro Solo (with fade out) : **Am, Dm, G** (x4)

Here are the chords for the song. I did not include the strumming patterns they are very similar throughout the whole song, just listen to it and jam along. I didn t include the solo tab s either just the rhythm sections.

This is my first tab, please let me know if I ve made mistakes or I can make it better.
