A Very Potter Musical - Not Alone
Misc Unsigned Bands

Watch the video of darren playing this at azkatraz to get some of the changes I
know its not perfect but it will do :) by erz1302

VERSE 1:
```
 A- Asus4-A
```
Ive been alone
```
        C#m  - C#m7
```
surrounded by darkness
```
   Dmaj7
```
and Ive seen how heartless
```
  F#m        E Esus4 E(snap)
```
the world can be

VERSE 2:
```
           A- Asus4-A
```
And Ive seen you crying
```
   C#m-C#m7
```
you felt like its hopeless
```
  -/F F#m
```
Ill always do my best
```
   E
```
to make you -you see

CHORUS 1:
```
   A/F -A#/F#?  Bm
```
That Harry, you re not alone
```
         F#m          E
```
cause youre here with me
```
  D                 C#7
```
and nothings ever gonna bring us down
```
    F#m                A/F-A#/F#  Bm
```
cause nothing can keep me from lovin you
```
      F#m          E
```
and you know its true
```
       D
```
it dont matter whatll come to be
```
  Dm            Esus4                A Asus4 A
```
our love is all we need to make it through

VERSE 3:
```
             A Asus4 A
```
Now I know it aint easy
(No it aint easy)
```
   C#m - C#m7
```
But it aint hard trying
(its so hard trying)

```
                        F#m
everytime I see you smiling
        E         B7
and I feel you so close to me
E(snap)
tell me

CHORUS 2:
                A/F-A#/F#         Bm
That baby youre not alone
       F#m              E
cause youre here with me
     D                        C#7
and nothings ever gonna bring us down
        F#m             A/F-A#/F#      Bm
cause nothing can keep me from lovin you
          F#m               E
and you know its true
          D
it dont matter whatll come to be
     Dm            E                     A (Asus4) Aadd7
our love is all we need to make it through

BRIDGE:
D(snap)
Now I still have trouble
Dm(snap)
I trip and stumble
          A        G                    D Dsus4 D
trying to make sense of things some times
            D7             Am7 - Abm7- Gm7- F# (Run)
I look for reasons
       F#
but I dont need em
       Bm7            C#m7           D Dsus4 E
all I need is to look in your eyes
          F#
and I realize

CHORUS 3 (1 STEP UP):
Abm7 C#7    C#m
Baby youre not alone
       Abm           F#
cause youre here with me
 Em                     Ebm (w/o middle finger)(Do these as bar on the 7th/6th)
and nothings ever gonna bring us down
        Abm          Abm7    C#7  C#m7
cause nothing can keep me from lovin you
 Abm             F#
and you know its true
          E
it dont matter whatll come to be
```

```
     Em          C#m        Abm F#
our love is all we need to make it through
                E
Cause it dont matter whatll come to be
    Em          B
our love is all we need to make it through
```
