

Interlude Part 2

G **Am** C D
Carved in reflection,
G **Am** C D
the beast in the beauty,
G **Am** C D
loathing and glistening,
G **Am** C D
or maybe you weren't listening.
G **Am** C D
So where will you run when the sky starts falling down?
G **Am** C D
When your home is nowhere, nowhere to be found?
G C **Am** D
Will you remain unscarred beyond relentless crawling
G C **Am** D
when your world comes tumbling down?

Chorus

C **Em** C D
Today I show my face and whispers turn to screams,
C **Em** C D
visions of what might have been and what will never be.

Verse 2

G C **Am** D
Cause and effect, and ignorance is bliss.
G C **Am** D
Words can be weapons if that is what you wish.
G C **Am** D
Pause and reflect with the blade at your wrist.
G C **Am** D
Silence is deafening and screams all of this
